### 3. Major issues related to the implementation of RUSA in Chhattisgarh

- **Utilization Certificates:** The State has to submit the revised UCs for preparatory grants and MMER highlighting the physical progress of the activities/ works undertaken so far.
- **Land Transfer for MDCs:** The State is yet to submit the documents pertaining to the formal land allotment for 2 MDCs approved under RUSA. Even after multiple submission of documents on land transfer, the actual land allotment orders in the

name of Higher Education Department of the State Government or the New Model Degree College are pending to be submitted to the Ministry.

- **Violation of RUSA Norms- Component 7:** According to the RUSA norms, the infrastructure grants have to be utilised under the three activities of New Construction, Renovation and Equipment in the ratio of 35%:35%:30%. However, the State has informed the TSG that for all 54 Colleges approved under infrastructure grants, the first two categories of 35% & 35% have been combined and the entire 70% of the approved grant (i.e., Rs. 1.40 cr out of 2 cr) is being utilised for construction purpose only. The administrative approval for the same has been issued at the State level. Any change in the expenditure ratio has to be brought to the notice of Ministry and subsequently, for the PAB approval.

Moreover, all Colleges have been directed by the State Government to construct classrooms and toilets within their campuses, which is against the need based requirement of each college, as furnished in the SHEP for PAB approval.

- **Violation of RUSA Norms- Component 3:** The State of Chhattisgarh has been sanctioned infrastructure grants for 7 Universities under RUSA with fund sanction of Rs. 20 cr each. With reference to RUSA norms under infrastructure grants mentioned above (35%:35%:30% ratio), the State has informed that it is planning to spend the entire allocation for the component of Rs. 20 cr on construction activity only. No such approval/ relaxation of norms was granted by the PAB to State, nor the matter has not been brought to the notice of Ministry by the State Government for consideration.
- **Blueprints & Architectural Drawings for Universities:** In the RUSA Review meeting held on 22<sup>nd</sup> June, 2016, it was directed by the National Mission Director (RUSA) to submit the DPRs pertaining to construction works of all the Universities along with technical sanctions, architectural drawings, blueprints (certified by the Principal Secretary (HE)) and the necessary land transfer documents in the name of these universities. No document has not been submitted so far.
- **Pending fund transfer under Equity Initiatives:** The State was sanctioned component 9: Equity Initiatives for State as a unit in 8<sup>th</sup> PAB with fund allocation of Rs. 5 cr for XII Plan. However, the State has not yet transferred funds to the institutions. Also, the list of Colleges for this component also needs to be notified to the Ministry.
- **Pending fund transfer under Component 7:** Out the 54 Colleges approved by the PAB for infrastructure grants, the State has not transferred the central and state share to 4 Govt. Aided Colleges yet.

- **SHEC by Act:** The State has to constitute its State Higher Education Council through an Act.
- **Geo Tagging:** The State has moderated only 50 photographs from its end as a part of level-1 moderation.
