Major Issues

- The State has constituted State Higher Education Council (SHEC) through a GR dated December 23, 2016. But the State is yet to issue official Gazette to specify composition, functions and responsibility of the Council
- 2. While joining RUSA the State informed that there was no ban on faculty recruitment. However it has now been learnt that there is a ban on faculty recruitment, which is in

violation of commitment given under RUSA. The State is yet to lift the ban on faculty recruitment.

- No utilization certificate (UC) has been received under faculty Improvement and Research Innovation & Quality Improvement. Additionally the State has also not submitted the revised DPR for Creation of Universities by Conversion of Colleges in a cluster.
- 4. With regard to Research Innovation & Quality Improvement the State has transferred Central Grants lesser than what has been approved in the Sanction order for each University under R&I. In addition to the 7 Universities approved by the 9th PAB meeting the State has included 3 more Universities.
- Geo tagging: Only 8 Institutions have uploaded relevant, high quality photographs against
 21 Institutions for which Central Grants have been released.
