

I, Shri Phurailatpam Shivadatta Sharma S/O. Ph. Bikramjit Sharma, having been admitted to Thoubal College, Thoubal Manipur in B.A.1<sup>st</sup> Year (1<sup>st</sup> – semester 2016) under Roll No.207, now studying in 2<sup>nd</sup> – semester, in 2017 hereby declare that I am very happy to express my views regarding the developments of my College under RUSA- scheme.

That, when I joined the College last year, the class-room in which I was sitting was very shabby, the floors are broken, damaged with full of dirt. There were no fans, no electric-connection to these rooms. I was very unhappy when the dirt, smoked materials from the ceiling fell on my cloths and as an asthmatic patient, I could not sit longer than half hour inside the room.

But to-day, I am very happy to see the improved conditions of these rooms, floorings are with white tiles, ceiling are changed to new one with fans.

Thanks to the Principal because I can attend the classes fully without itching. When approached the Principal to give my gratitude, the Principal has explained that all is done under RUSA. She explained the various schemes of RUSA and its various targets.

Here, I, on behalf of the students of Thoubal College, Thoubal extend my heart-felt thanks to RUSA- for giving such a wonderful quality Class-rooms and improving our status in such semi-rural areas of the State.

I hope RUSA will extend further assistance to transform our College into a World Class Institute.

Thanking you.

Yours faithfully,  
*Ph. Shivadatta Sharma*
