(2016-2017)

SUBJECT: Regarding utility of Books and e-resources under RUSA.

As a student of Government Arts & Commerce College, Paddhari, I feel privileged in having access to the quality research and reference texts procured under RUSA. Besides, the various competitive exam books available in the library under RUSA too would give me an edge in future career. At the same time I would call the e-resources and e-content that can be borrowed and shared digitally as a feather in the cap of college's achievement. Having access to the e-resources of the college has made reading very convenient and hassle free. With e-books readily shared from the college library on my mobile, I have the luxury of going through them anytime anywhere.
