

GOVT COLLEGE, SUNDARGARH

Testimonial of Students

Dept. of Physics

I Sri **Debashish Sethi**...a student of +3 2nd Year Physics (Hons) bearing Roll No...**BS15-057**... present the following testimonials on the renovated laboratory of the Department under the RUSA fund.

After the renovation, the laboratory of the Dept. of Physics has seen a big transformation.

Earlier, the 60 year old Department was in a very bad shape. After the renovation, it is now in a far better condition. The floors of the department and the lab have been tiled. All the laboratory equipment have been arranged in proper order. Therefore, the practical classes are being conducted quite smoothly now. The students are also interested and encouraged to attend the classes regularly.

Dept. of Chemistry

I Sri **Shivani Dehury**...a student of +3 3rd Year Chemistry (Hons) bearing Roll No..**BS14-076**... present the following testimonials on the renovated laboratory of the Department under the RUSA fund.

The UG and PG laboratory of the Dept. of Chemistry has been renovated with the help of the RUSA fund. After the renovation, the Dept. is in a much better condition now. The floors of the dept. and the lab. have been tiled. Besides, the old furniture as well as the water and gas connection facilities have also been upgraded. All the laboratory equipment have been arranged in a proper and systematic order. The new look of the department has encouraged and motivated the students to attend the practical and theory classes in larger numbers than before.

College development

I Sri **Sibadatta Purohit**...a student of P.G. Part-I bearing Roll No..**16CHE004**.. present the following testimonials with regard to different infrastructural developments in the college under the RUSA fund.

Computer Laboratory

A computer lab has been constructed with an installed capacity of 60 computers with tile fittings of the floors and furnishing of ceilings. This will greatly benefit the students of the college who can make use of the facilities available in the computer lab.

College and hostel gates & Library

Under the RUSA funds, four new design gates have been constructed, one each in the college, Ladies' Hostel, Old Hostel and UGC Hostel. The above buildings have also been coloured attractively. The new look of the buildings has enhanced the beauty and charm of the institution. The beautiful sight and environment of the college has motivated the students to come and attend their classes in large numbers. The Library automation work is also in progress for smooth management of the Library and the benefit of the students and the staff.

Classrooms

With the help of RUSA, new classrooms will be constructed after completion of the Panchayat Elections. The additional infrastructure in terms of classrooms will be highly beneficial for the students.

If in the future, RUSA continues to provide funds, further development work can be undertaken which will go a long way in improving the reputation and stature of the college.
