Minutes of the meeting held under the chairpersonship of Joint Secretary (HE) & National Mission Director (RUSA), MHRD on 10th December, 2018 at IIC Annexe, New Delhi

A meeting was held under the chairpersonship of Joint Secretary (HE) & National Mission Director (RUSA), MHRD on 10th December, 2018 to review the performance of the States and their preparedness for the proposed digital launch of RUSA projects by Hon'ble Prime Minister on 15th January 2018. The list of participants is at Annexure A.

2. The following points were discussed:

RUSA 1.0

- a. It was noted that the 27 States/Union Territories (UTs) had shown improvement in their performance under RUSA 1.0 and had utilised more than 70% of central funds released so far. The other States and UTs were requested to expedite the fund utilisation and submission of Utilisation Certificates.

RUSA 2.0

- b. Under Components 4: Enhancing Quality & Excellence in Select University and Component 8: Enhancing Quality & Excellence in Autonomous Colleges, States which had not yet transferred to the beneficiary institutions the Central share released by the Ministry, were requested to immediately do so along with the transfer of matching State share.

Preparedness of the projects for Digital launch

- c. The preparedness of the projects for the upcoming digital launch was discussed and on the basis of inputs from States, 70 Model Degree Colleges(MDCs) were finalised, out of which foundation stone would be digitally laid for 54 new MDCs and inauguration would be done for 16 completed MDCs. Further, laying of foundation stone for 09 new professional colleges & 1 Women's University, inauguration of 02 completed professional colleges & 02 other completed infrastructure projects and Announcements of Entrepreneurship, Employability and Career Hubs in 26 universities and 15 autonomous colleges were also included to be part of the launch. The details of all the projects are at Annexure B.
- d. The States were asked to submit details of IP address, site of launch, nodal officers, number of expected beneficiaries (break up between boys and girls, list of dignitaries to be present at the site, design of plaque, description of the projects to be launched and high-resolution photographs.
- e. The 16 universities approved under Research, Innovation and Quality Improvement and 10 Universities approved under Enhancing of Quality & Excellence in select Universities were requested to identify their top 3 areas of interest for research and international collaborations with the selected global

Universities. Accordingly, the mapping of the universities with U.S. universities has been made in accordance to their areas of expertise. The details are attached as Annexure C. The Universities were requested to prepare concept papers to be shared with their respective international collaborating University.

General Matters

- f. The Universities and States were requested to take serious action on any complaints regarding sexual harassment received in their institutions.
 - g. The 16 universities approved under Research, Innovation and Quality Improvement and 10 Universities approved under Enhancing of Quality & Excellence in select Universities were requested to upload their academic awards on the National Academic Depository (NAD). A meeting between the Universities and the Depositories was proposed to be held to resolve any issues regarding the implementation of NAD in the institutions.
3. The meeting ended with a vote of thanks to the Chair.
