3. Major Issues:

- a. Geo-tagging: Only one institution has uploaded relevant, high-quality photographs, against 30 colleges for which Central grants have been released.
- b. SHEC in the State has been constituted by the Executive order and yet to be constituted by an Act of the State Legislature.
- c. The state has high vacancy 42% of sanctioned posts.
- d. Slow pace of transfer of grants and utilisation: Central grants released in December, 2015 has been released to the institutions (along with the State's share) only in May, 2016. This affects the pace of utilisation by institutions also. Hence, UCs are still awaited.
