

## 1. **Introduction of the institution**

Government Collage Daulatpur Chowk is a temple of learning located in the cradle of Shivalik Moutains, on the back of the Sawaan River. The History of the collge goes long back to 1972 when it was established by the sincere and relentless efforts of all the educationalists of this ilaqua. Previously, it was managed by the local DAV Managing Committee Daulatpur Chowk and was called DAV P.G. College Daulatpur Chowk. On September 14, 2006, this college came under the control of Himachal Pradesh Government and now this college is running B.A.,B.Sc., B.Com.,B.Ed, M.A. (Economics), BBA, BCA and PGDCA successfully. The NAAC has accredited 'B' grade to this institution. The college has the strength of 2200 (Two Thousand and Two Hundred) students.

## 2. **Benefits of RUSA Grant to the students**

Government College Daulatpur Chowk received RUSA Infrastructure grant in two instalments. The first instalment was of Rs. 50 Lacs and second of 1 Crore during the financial year 2015-16 and 2016-17. It is a fact that RUSA Infrastructure grant has benefitted the students to improve the overall quality. The equipments purchased, renovation and the new construction have given a new picture to the college's infrastructure. Including this all these elements have given a big opportunities to the students to go for better facilities and devote much time to research and innovations through the use of books, smart class rooms, computers and gym.

### **The Equipments**

- **Gym** – The installation of gym has given a systematic routine to the innovative students. Previously, the students had to join private gyms to do the physical exercise and maintain themselves but now the installation of gym has facilitated them in every way. They regularly join the gym and make the best possible use of this health care equipment
- **Smart Classroom** - The smart class room is fully furnished with all the digital equipments. The digital projector has made the things easy for the students, regarding the understanding of the contents and to know the facts and figures through power point presentation. The furniture provided in the smart classroom is very comfortable for the students and they show their curiosity in studying and getting themselves updated.
- **Books** - The books purchased through this grant has actually facilitated the students. The syllabus is under RUSA pattern and all the text books and reference books in the library are boon for the students. Now, they can any time consult the books for their further reference and their personal notes. It is a positive point that the books are easily available and the students are the real beneficiaries.
- **Furniture** – The furniture purchased through this grant has made the classroom atmosphere descent and now the students do not face the problem regarding their sitting and listening to the lectures.

- **Girls' Common Room** – The equipments installed in the girls' common room have facilitated the students specially the girls. A sanitary pad machine and burning machine and has reduced the stress of the girls during the month problems. If a girl becomes sick during the college hours, she can use the girls' common room for rest and relaxation.
- **L.P.G. Connection in Chemistry Laboratory** - L.P.G. connection in Chemistry Laboratory has made the practical sessions easy for the students.
- **Fire Extinguisher** – The installation of Fire Extinguisher in various departments has increased the safety of the students as well as the infrastructure at the time of any mis-happening or natural disaster.

#### **Renovation**

The renovation of the institution has also benefitted the students.

- **Tiling** - Tiling of the floor has provided a new look to the institution as well as it has benefitted the students with the comfortable classroom scenario.
- **Repairing of Electricity** - The repairing of electricity has once again facilitated the students with proper lights in the class rooms. Especially in summer season the atmosphere of the class rooms has become comfortable for the students.
- Renovation of the toilets and other apartments have benefitted the students in a great way. It has now become hygienic and pure for the beneficiaries for the students to use them.
