To,

Principal Secretaries  
Higher Education  
Of all States and UTs

New Delhi,  
Dated: 30.1.2016

**SUBJECT: Review of RUSA Implementation held on 29th and 30th Jan 2016**

Sir/Madam

This is with reference to the deliberations of the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) Zonal Review Meeting held at the India Habitat Centre, New Delhi on 29 to 30<sup>th</sup> January 2016, in which your State/UT was a participant.

As discussed in the review, RUSA financing is now moving from a system of base funding to one of performance-based funding. Accordingly, it has now become critical for States to take up intense and focused efforts for improving their RUSA implementation, especially in terms of fulfilling the non-negotiable actions that they had committed to when joining RUSA. It has also become essential for States to fulfill other important RUSA-related commitments within fixed time lines. These commitments are detailed below:

**Compliance with conditionalities under RUSA**

1. The State should take steps to ensure that SHEC is constituted by an Act of the State Legislature in accordance with RUSA guidelines at least by 31st March 2016. It is reiterated that SPD should be a member of the SHEC.
2. The State should ensure a fulltime SPD in accordance with the RUSA guidelines by 10th February 2016.
3. The formation and notification of TSG under the SPD should be ready latest by 10th February 2016.
4. The State Level Quality Assurance Cell (SQAC) for facilitating timely mandatory NAAC accreditation should be created and notified by

- 55
- 10<sup>th</sup> February 2016. The available pool of NAAC assessors should be considered while deciding the SQAC coordinator.
5. The State share of RUSA funding should be released to the RUSA account and in-turn to the beneficiary institution's bank account by 10<sup>th</sup> February 2016.
  6. All RUSA funds released to the State have to be spent before 20<sup>th</sup> March 2016 and Utilization Certificates submitted by then. No revalidation of the already released funds would be considered or allowed.
  7. The State should expedite filling of vacant faculty positions.
  8. State should ensure implementation of academic audit in all RUSA beneficiary institutions. In this regard, it is requested to look at the academic audit conducted in the state of Andhra Pradesh as an illustration.
  9. The State must expedite CBCS implementation (including at the Undergraduate level) and share with NMD a detailed roadmap for the same.

#### Monitoring and Implementation issues

10. Submission of DPRs (in the proper format with the required supporting documents) has to be done latest by 10<sup>th</sup> February 2016.
11. Photographs showing evidence of physical progress of RUSA works and videos of workshops etc. organized using RUSA preparatory grants have to be shared latest by 10<sup>th</sup> February.
12. Geo-tagging of RUSA funded institutions should be done latest by 10<sup>th</sup> February through the capturing and sharing of clear and relevant geo-tagged photos and attribute information through the Bhuvan RUSA android app. For this purpose the AISHE code would generally be the unique code for the Institutional Plans. Please visit [http://bhuvan3.nrsa.gov.in/bhuvanapp\\_rusa.php](http://bhuvan3.nrsa.gov.in/bhuvanapp_rusa.php)
13. Documentation of work done under RUSA (summary of RUSA journey so far, including best practices) should be shared with respective State consultants in the RRC latest by 10<sup>th</sup> February.
14. States should share details of their RUSA bank accounts and beneficiary institution's bank account details by 5<sup>th</sup> February 2016. You may identify resource person for building capacities for PFMS (Public Financing Management System) and share the details with the consultants by 10<sup>th</sup> February 2016. State should further ensure that they are boarded onto the PFMS as on 1<sup>st</sup> April 2016 since all funds from the upcoming year (2016-17) will be transferred from the Ministry through PFMS.
15. States should mandatorily use RUSA logo in all activities/procurements/construction works and facilities created with the grants received under RUSA.
16. A robust State assessment and evaluation framework has been developed and shared with the States/UTs. The States had filled up and shared the framework with the RUSA Resource Centre. This practice of self filling and certification by States is encouraged under RUSA. However, these will be required to be validated by the TSG for accuracy and authenticity. The assessment and evaluation will be an important parameter for deciding future releases that are going to be performance driven.

### Capacity Building and Leadership development

17. The State/UT is requested to send a participant list (10 nominees) for the Higher Education Leadership Academy (HELA) at the earliest, if not participated so far. The list may be shared with the Tata Institute of Social Sciences.
18. The State should build capacities to ensure collection, entry and maintenance of accurate data.

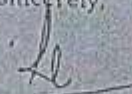

### Preparatory Grant

19. The States have been provided preparatory grants to undertake preparatory activities by putting in place systems and processes for better implementation of RUSA. It has been observed that there has been limited utilization of preparatory grants over the last two years. States are encouraged to utilize their preparatory grants in accordance with the letter issued by the ministry dated letter no 4-17/2013-upolicy dated 16 March 2015 which details the activities for which the preparatory grants are to be utilized. The states are therefore requested to provide a roadmap for implementation of RUSA through the utilization of preparatory grants. It is requested that these grants maybe judiciously utilized and utilization certificate be submitted to the Ministry by 31st March 2016.

This Ministry will review the above-mentioned action points in February and, therefore, States are urged to comply with the above expeditiously.

An action taken in this regard is solicited.

Yours sincerely,

Ishita Roy
