D.O.F.No.24-01/2016-U.Policy

Dated the 18th July, 2016.

Dear Shri Wahlang,

As you are aware, at the beginning of this financial year 2016-17, the States/UTs have been apprised that the funding under RUSA will now be performance based. From time-to-time various indicators have been communicated for performance assessment and which would be considered while undertaking further releases. Information on the following performance indicators, as below, is urgently required for a mid-term appraisal of the performance of the States and UTs on these indicators:-

- (a) Geo-tagging of beneficiary institutions with high quality and relevant photographs commensurate from the nature of the activity undertaken and grants utilised.
- (b) Details of sanctioned faculty posts in universities and colleges, filled-up positions (with regular appointment) and vacant posts along with the information provided on the same to AISHE.
- (c) Details of the functioning of the State Level Quality Assurance Cell (SLQAC) including improvement in accreditation of State Higher Education Institutions (HEIs).

The above information is requested to be furnished within a week.

2. As informed earlier (vide letter dated 16th June, 2016), the XIth PAB meeting would review the actual performance at the ground level in the beneficiary HEIs. The details of at least two universities and colleges selected for such a review in the ensuing XIth PAB meeting may kindly be furnished immediately as the meeting is going to be held shortly.

Warm Regards,

Yours sincerely,

(Ishita Roy)

Shri. D. P. Wahlang
