Note:

- Proposals worth a total of Rs 49.45 crores have been approved in the 5<sup>th</sup> and 9<sup>th</sup> PABs
- The State has been released Rs. 12 crores as first instalment under erstwhile UGC Model Degree College Scheme to 6 MDCs. No fund has been released them under RUSA till date.

### 3. Major Issues:

a. **Geo-tagging:** Only 3 colleges have uploaded relevant, high-quality photographs, against 10 colleges for which Central grants have been released.

b. Transfer of Central and State's share to SHEC Account and onward transfer to institutions is an issue. **Grants transferred one year back (June, 2015), still not transferred to institutions.** State's share for 6 erstwhile MDCs not contributed yet (Central share released in 2012, 2013).

c. SHEC in the state has been constituted by an Executive Order. The bill of State Higher Education Council of Arunachal Pradesh is under preparation.

d. TSG formation: The Engineering Wing which was functioning as the TSG of the State, is no longer functional. Hence, the TSG must be reconstituted immediately with fresh appointments and the notification of the same is required to be submitted to RRC.

e. The State needs to have a roadmap for implementation of various sectoral reforms
