Online submission of a detailed plan of action for implementation along with a copy of the Act by 31st August, 2018.</p>	Karnataka (2) & Maharashtra (1)
2	Component 4: Enhancing Quality and Excellence in select State Universities	<p>a. Conditional approval. Universities with regular sanctioned faculty positions filled (70% and above ) will need to submit a detailed action plan on or before 25th June, 2018. Presentation by institutions in July.</p> <p>b. Universities will need to achieve a minimum of 70% or above target of faculty positions being filled by 15th July, 2018 with a detailed action plan. Subsequently, they will be invited for a presentation.</p>	S.V. University, Tirupati, Osmania University & Kurukshetra University-compliance to conditionalities not met
3	Component 5: New Model Colleges	<p>a. Conditional approval. DPR and plan of action including land docs to be submitted online by 20th June, 2018</p>	MAHARASHTRA

## RUSA 2.0: Progress on Compliance of Conditionalities by beneficiary States

S. No.	Components	Compliance Conditionalities	Non- Compliance by States
4	Comp 6: Up gradation of existing Degree Colleges to Model Degree Colleges	<ul style="list-style-type: none"> <li>a. Conditional approval. DPR and plan of action including land docs to be submitted online by 20th June, 2018</li> <li>b. Faculty positions filled should be at a minimum of 67% of regular ( State Govt.) sanctioned position 15<sup>th</sup> July, 2018.</li> </ul>	Jharkhand, Madhya Pradesh
5	Comp 8: Enhancing Quality and Excellence in select Autonomous Colleges	<ul style="list-style-type: none"> <li>a. In respect of hostels, complete DPRs, including land documents with blueprints and technical sanction be submitted online by 20th June, 2018.</li> <li>b. For activities other than hostels, detailed action plan be submitted online by 30<sup>th</sup> June, 2018.</li> </ul>	Maharashtra

# Action to be taken

Actionable Issues	Current Status	Action to be taken
Utilization of central grants under RUSA 1.0	Utilization of central grants over 70% by end of October.	1. Physical Inspection and submission of UCs to be undertaken by States 2. <b>Non-utilization of central and state share released by 30<sup>th</sup> Nov will result in funds being returned to the Ministry</b>
Autonomy to Universities and Colleges	Several universities and colleges have inadequate teaching faculty , require state government approval for undertaking innovative academic programs, curriculum redesign, approvals for undertaking civil construction, etc.	State Governments should provide greater autonomy to universities and colleges in general, but more specifically, adhere to the UGC regulations on autonomy in respect of those universities and colleges who have been provided autonomy in the context of their regulations
Mandatory compliance to contribution of State share to all institutions approved by PAB	Approximately, 250 cr worth state share is still pending release by States subsequent to central grants being released. States have <b>to mandatorily release their share as soon as central grants are released.</b> More specifically, States of Tamil Nadu and Karnataka have expressed some reservation on the release of State share for components 4 & 8 despite giving a unconditional commitment to such releases upon central release.	<b>State Governments must necessarily release their state share within 15 days of receipt of central grants, failing which penalty will be levied on the States</b>

# Action to be taken

Actionable Issues	Current Status	Action to be taken
Passing of University Acts for institutions approved under Components 1 & 2.	States such as Maharashtra and Karnataka have not passed their University Acts despite receiving approvals for setting up universities by the PAB.	States which do not stick to the conditionalities within a specified time period as mandated by CLF Portal, will stand to lose the approvals accorded by PAB.
Submission of UC and progress reports for Model Degree Colleges approved under the Erstwhile scheme of UGC.	These Erstwhile MDCs were sanctioned way back in 2011-12 and monies for these have been released. It is observed that there has been an <b>inordinate delay in submission of UCs by the states- Gujarat, J&amp;K and Maharashtra</b>	
Development and submission of Action Plans for improving quality of Higher Education by North-Eastern and Himalayan States	Except J&K, all the States have submitted their action plan. As per the action plan received, there are 250 degree awarding HEIs who have been accredited and nearly 1420 degree awarding HEIs need to be accredited.	The Ministry has developed an action plan for accreditation of these institutions in the next 18 months through a mentor-mentee process. A special dispensation is being proposed to address the issue of accreditation and quality improvement in the north east and Himalayan region.

# Action to be taken

Actionable Issues	Current Status	Action to be taken
<p>Passing of State Higher Education Councils by an Act of State Legislature by the States/UTs that are yet to do so.</p>	<p>Bihar SHEC act passed, Punjab: Passed, Puducherry draft bill under examination by MHRD.</p>	<p>Arunachal Pradesh, Bihar, Chhattisgarh, Haryana, Goa, Himachal Pradesh, Puducherry, Rajasthan, Tripura, and NCT of Delhi</p> <p>It is desirable that these SHECs should preferably have leading academics as members/ chairpersons of these councils in order to enable them to perform the roles and responsibilities as envisioned in the RUSA vision document. These SHECs are supposed to be academic think-tanks for the State as well as HEIs in the State and therefore, care should be taken to create robust, vibrant, merit-based SHECs.</p>
<p>Compliance to the Graded Autonomy Regulations, 2018 in respect of Universities and Colleges by 31<sup>st</sup> October, 2018</p>	<p>Currently, over 600 colleges have an autonomous status. Based on the data available, the no. of institutions with a NAAC score of over 3.0 is closed to 1500 institutions. Therefore, there is adequate scope to increase a bucket of autonomous HEIs within the framework of the UGC Regulations on Autonomy</p>	<p>State Governments and State Public Universities should create enabling eco-systems for according approvals for colleges to become autonomous so that we can increase the pool of autonomous colleges in the country as can be seen from the past experience, as providing autonomy with good institutional leadership to HEIs helps in promoting quality and excellence. Further, RUSA has incentivized high performing colleges and universities with generous financial resources. The ultimate aim and objective of this feature is to help institutions to move towards greater degree of quality enhancement and excellence.</p>
